Purpose of Request, Comment, and/or Suggestion:

Kristin and I are doing a Senior Project at Brownsburg High School for the 2011-2012 school year. For our project we would like to propose the idea of having a race out in Brownsburg during the month of early April, preferably on the 14th which is on a Saturday. We want to do this in order to raise money for Make-A-Wish foundation and help a childs wish come true.

☐ I do not wish to speak, but want to provide this information to the Town Council
