Subject: 9-11 Memorial Committee

Summary of Request:

Councilman Richardson would like to introduce to the Council and the public to the 9-11 Memorial Committee that he formed. The committee, represented by Detective Jennifer Pyatt, will have a 14-slide PowerPoint presentation on the proposed purpose, design, and location for a 9-11 Memorial in Brownsburg using an artifact (steel I-beam) from the World Trade Center. The committee will ask for the Town Council's consent to proceed with the project, including design, location and fundraising.

ATM Comments:

The committee is not asking the Town Council for funding but simply wants to present the idea, the proposed design of the monument for input and feedback as well as permission to install the monument on City owned property, location to be determined. I feel that this committee has a good project and should be supported.
