

Fleet Maintenance

221 Mardale Drive
Brownsburg IN 46112

Council Report

Respectfully Submitted 5-1-2012 by:
Chris Keers, Fleet Maintenance Superintendent

Summary

The Fleet Maintenance Department day to day operations are flowing smoothly. The winter was easy on us as far as snow plow equipment. We have removed all the snow plows and salt spreaders from the vehicles and stored them for the summer. We have all the mowing equipment out and working.

Current Projects and Goals

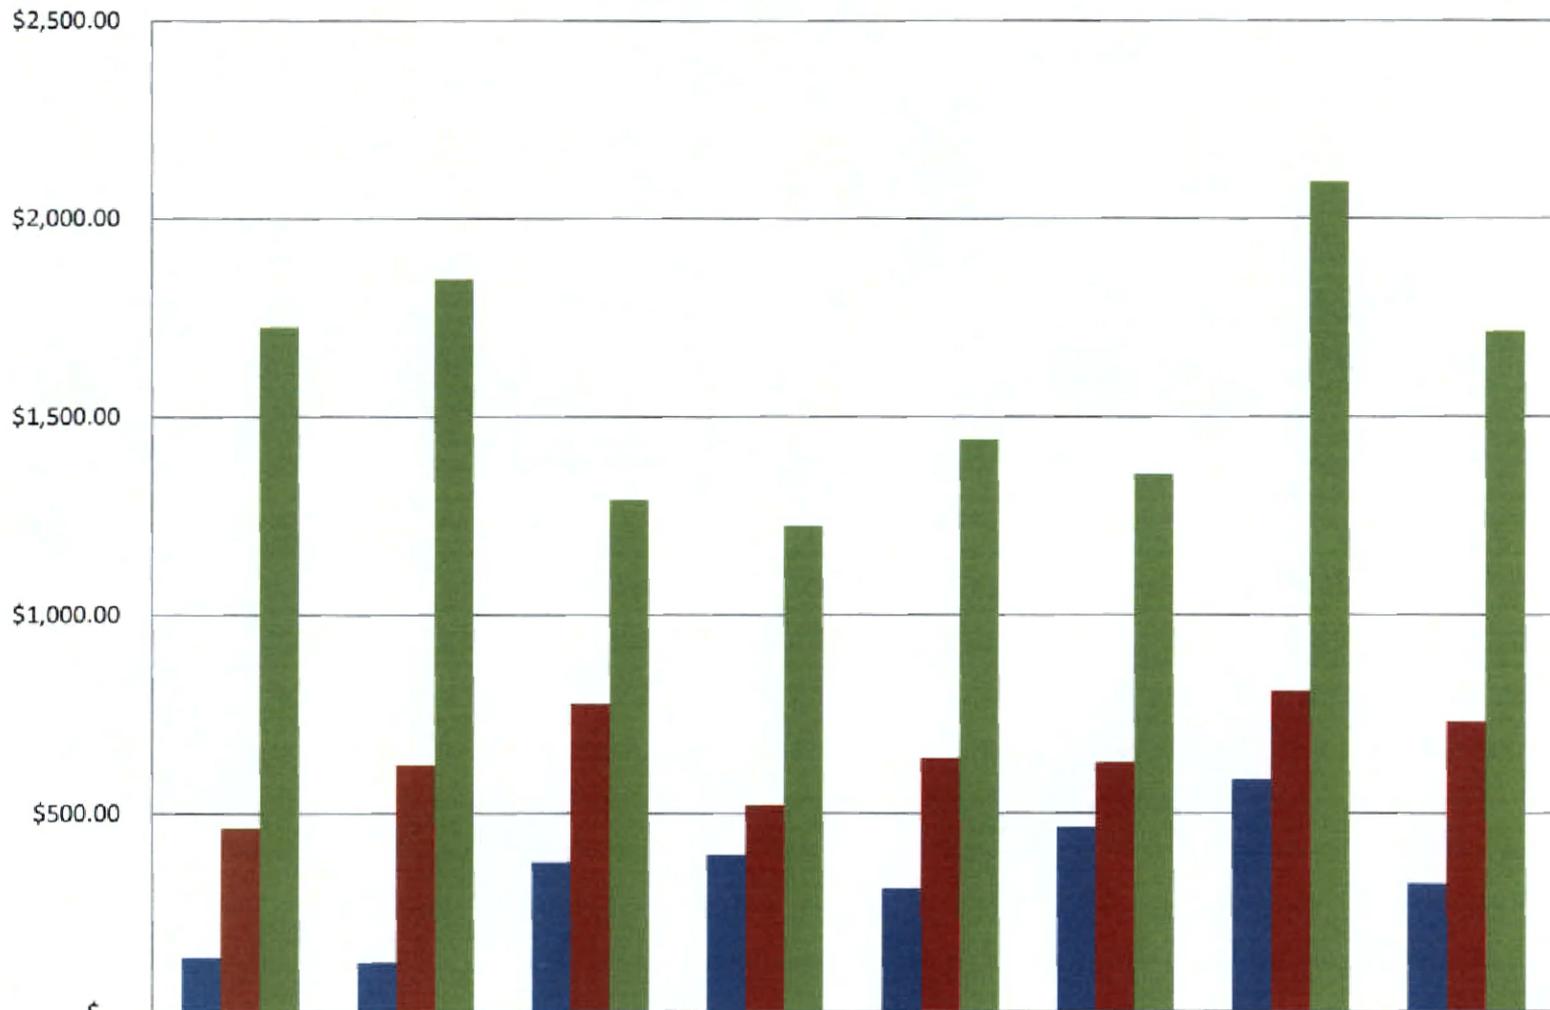

- Installing equipment in new Fire Department Battalion vehicle.
- Working on budgets.
- Continue the sale of fuel to Pittsboro Fire and Police.
- Continue to repair vehicles for Speedway Police.
- We have attended school for the Police Department Harley Davidson Motor Cycles and are currently doing our own service and maintenance.

Future Projects and Goals

- We are expecting the arrival 8 new police vehicles within the next few weeks. These vehicles will need to have the proper police equipment installed. In addition to these new arrivals, all equipment will need to be removed from the older vehicles and prepared for proper disposal.
- The Pittsboro Police has been in contact with us regarding service and maintenance for their vehicles.
- We will be obtaining operator training and receiving our certificate for underground storage tanks. This is a requirement from IDEM.

Pittsboro Fuel Costs

	Sep 2011	Oct 2011	Nov 2011	Dec 2011	Jan 2012	Feb 2012	Mar 2012	Apr 2012
■ Pittsboro Fuel Cost Gas Fire	\$140.18	\$126.52	\$378.30	\$397.73	\$313.20	\$464.54	\$584.73	\$324.92
