*Re: Request for two model homes and related model Home Park within the Hession Fields Community*

Dear Todd:

Please let this correspondence serve as the Pulte Group's official request to be placed on the Plan Commission Agenda as soon as possible to construct two model homes in a model home park within the Hession Fields community. With this correspondence, we are providing both electronic as well as two hard copies of the following information for your consideration. If additional copies are needed for the Plan Commission meeting we will provide them to you in advance when needed. We will have a representative at the meeting to present on Pulte's behalf. If we need to meet with staff prior to the meeting to discuss any questions or open items we are available at your convenience.

Attached is the following information for Model Home Permits for Brownsburg:

- Lot #
- Signage Plan
- Lighting Plan
- Landscaping Plan
- Building Plans
- Plot Plan
- 3- Off-street parking spots generally required

Thank you for your consideration of our request. We look forward to continuing as a builder within the Brownsburg community.

Best regards always.
